Product Description

Fancy a card game full of nastiness, lots of interaction, risky decisions and dynamic game mechanics? Welcome to the gaming table with Klink! Play strategically to outwit the others ...In the clever card game Klink, you have to test your luck and keep a poker face to outwit your opponents. You deal number cards face down to your fellow players without you or they knowing the complete information on all the cards. Whoever accepts the deal keeps the cards for the final scoring, with identical numbers cancelling each other out. At the end of the game, whoever has the cards with the lowest total value wins... and then it's best to jump straight into the next game!
