Product Description

Long live the cat king at the court of the power-hungry pets! But beware of the royal robot sucker and the smelly mutiny that can bring down even the strongest cat ...Two legends meet in the deceptively simple party game Power Hungry Pets: Love Letter™ and Exploding Kittens®. Each card has a value and a way to torment the other players. The higher the value, the stronger the card. You have two cards in your hand, but can only keep one. Decide which one to keep and which one to play to destroy the others. In the end, whoever has the card with the highest value in their hand wins. Can you manage to get the Cat King through?
