### Product Description

Whoever faces House Baratheon has a mighty problem. Its armour is thick, its forces resolute, and when accompanied by halberdiers, even the last gap in its ranks is closed: the advantage of cavalry over infantry. Furthermore, any hesitation or neglect on the part of cavalry (or similar troops) leads to confusion, which House Baratheon knows how to exploit in attacks. Any capable Baratheon commander will find many uses for halberdiers in their ranks. The A Song of Ice & Fire - Baratheon Halberdiers (Halberdiers of House Baratheon) unit expansion brings a total of twelve miniatures to the popular world of the epic tabletop game. Included are eleven Halberdiers of House Baratheon and 1 Halberdier Banner Bearer of House Baratheon, as well as a unit card and a movement board. A Song of Ice & Fire - Baratheon Starter Set is required to play this expansion.
