from **60,01 EUR**

Item no.: 377793
shipping weight: 0.70 kg
Manufacturer: Feldherr

Product Description

For the safe storage of up to 3 King Tiger tanks, 6 Tiger tanks and up to 165 infantry units. No matter which side you fight on, you should have your troops well organised to win the next battle. In our storage box with matching foam inserts for Bolt Action, you can store your units safely and save space. The set contains two grid foam inserts for tanks. The first insert is ideal for storing up to 6 Tiger tanks or tanks of a similar size. The second insert is deeper and is used to store larger tanks of the King Tiger class or similarly sized tanks. The grid foam inserts for the tanks are pre-perforated. Foam segments with a base area of 14 mm * 14 mm can be removed individually from the inserts. This allows you to configure the areas required for your armour types yourself. Once you have punched out the compartments, remove the film from the grid foam insert and glue the foam base to the insert - this ensures that your battle machines do not fall out. All other inserts are designed for storing infantry units of various sizes. The fine-pored foam reliably protects your soldiers from damage - intricate parts such as weapons remain intact and applied paint remains undamaged. Of course, the inserts fit exactly into the sturdy storage box. This is made of coated, double-walled cardboard and is therefore both very light and very sturdy. The attachable lid reliably protects your models from dust and other external influences. With the two plastic-reinforced carrying handles on the sides, you can easily transport the box to the next battle. A matching foam lid rounds off the set. This ensures that nothing can fall out of the top insert or bump into the box lid.

Set contains- 1 Feldherr storage box FSLB310- 1 foam inlay for 6 tanks incl. base (FS060RS)- 1 foam inlay for large tanks incl. base (FS080RS) - 1 foam inlay with 36 compartments for infantry units (FS035BO) - 1 foam inlay with 34 compartments for infantry units (FS080RS) (FS080RS)- 1 foam inlay with 36 compartments for infantry units (FS035BO)- 1 foam inlay with 34 compartments for infantry units (FSBR035BO)- 1 foam inlay with 50 compartments for infantry units (FSEB035BO)units (FSEB035BO)- 1 foam insert with 45 conical compartments for infantry units (FS035C5BO)- 1 matching foam lid Storage box dimensions- Internal dimensions: 350 mm x 285 mm x 310 mm- External dimensions: 380 mm x 310 mm x 320 mm Details- Fine-pored foam- Made in Germany- Chlorine-free and acid-free
