Product Description

A brave Jedi Master of the High Council enters the battlefield! Kel'Dor Plo Koon is known for carrying out even the riskiest missions on behalf of the Galactic Republic. He has fought alongside legends such as Mace Windu. Among his many accomplishments, he discovered Ahsoka Tano as a young girl and brought her to the Jedi Temple for training. The "Leading by Example" squad pack contains legendary characters to create a strike team for the skirmish miniatures game Star Wars™: Shatterpoint. Jedi Master Plo Koon's leadership has earned him the rank of General. Under his command is the 104th Battalion, better known as the "Wolfpack". Under Commander Wolffe's command, this famous battalion has fought in many major battles, such as the attack on the Separatist warship Malevolence. Not even the loss of his right eye to a Sith apprentice could dissuade Commander Wolffe from continuing to fight for the Republic alongside Plo Koon. A Star Wars: Shatterpoint base game is required to play. - Players: For 2 players aged 14+- Play time: 90+ minutes
