Product Description

Super Meow, the purring super cat, has disappeared! Grab your rucksacks and set off in search of him! Which one of you will become Super Meow's new cat assistant? Super Meow is an animal deck-building game for children aged 6 and over. To win and return the super cat to the city, you have to uncover a cat and a superhero cape from your own rucksack in the same turn. But that's not so easy, as you first have to buy them at the market with coins and cat food. The rogue mouse is also up to mischief and can steal cards from you. Super Meow is perfect for introducing children to the concept of deck building and offers fast-paced fun with cool comic artwork. - Players: For 2 - 4 players aged 6+- Playing time: 15+ minutes
