Product Description

"I need you alive, but that doesn't mean in one piece." - Seventh Sister
Inquisitors like Fifth Brother and Seventh Sister were former Jedi who had turned to the dark side to serve Darth Vader and Emperor Palpatine. Inquisitors were tasked with hunting down Jedi who had survived Order 66 and fledgling Force powers across the galaxy. If their target could not be persuaded to serve as an Inquisitor himself, he was destroyed...
The Fifth Brother & Seventh Sister agent expansion for Star Wars™: Legion includes two highly detailed miniatures of the two merciless Inquisitors, as well as new unit, upgrade and command cards. It can be added to a Galactic Empire army. The Fifth Brother and Seventh Sister wield twin-bladed lightsabers that can turn at lightning speed. Both Inquisitors are aggressive fighters, with the Fifth Brother relying on his muscle power while the Seventh Sister uses her acrobatic skills to outwit her opponents.
A Star Wars: Legion base game is required to play. - Players: For 2 players aged 14+ - Play time: 120+ minutes
