Product Description

This FSLB310 storage box, filled with the matching Feldherr foam inserts, offers space for all 60 Stormcast Eternals and Orruks miniatures from Warhammer Age of Sigmar: Domination by GamesWorkshop. Precisely fitting compartments made of soft foam reliably protect your miniatures from damage and ensure that your painted units arrive safely at the gaming table without scratches. You can store up to 20 additional figures in the box to allow your armies to grow. The FSLB310 storage box is made of coated, double-wall cardboard and is therefore very light yet sturdy. The attachable lid reliably protects the contents from dust and other external influences. The two plastic-reinforced carrying handles on the sides make the box easy to transport.
