### Product Description

Ideal for storing and transporting tabletop and board game miniatures on a 40 mm base as well as large tanks and monsters. Are you looking for a way to transport your miniatures collection safely to your next game night? Feldherr declares the search is over! Our FSLB310 storage box with matching foam inserts allows you to neatly store large tanks or monsters and up to 88 other models. The fine-pored foam provides your miniatures with the best possible protection against damage - delicate parts are preserved, and the paint applied to painted models does not scratch. The set contains: - 1 Feldherr storage box FSLB310- 4 full-size foam inserts with 22 compartments each for miniatures on a 40 mm base (FSMEZZ050BO)- 1 full-size grid foam insert for large tanks and monsters (FS100RS)- 1 matching foam base- 1 matching foam lid The 100 mm high grid foam insert suitable for your large tanks and monsters is specially pre-perforated. Grid pins with a base area of 14 mm x 14 mm x 100 mm high can be removed individually from the insert. This allows you to configure the areas required for your vehicles yourself. As soon as you have punched out the compartments, remove the film from the grid foam insert and glue the foam base to the insert - this ensures that your vehicles do not fall out. The 88 compartments of each of the four full-size inlays have the following dimensions: - 48 compartments: 60 mm long x 45 mm wide x 40 mm deep- 24 compartments: 65 mm long x 45 mm wide x 40 mm deep- 16 compartments: 73 mm long x 40 mm wide x 40 mm deep The matching foam lid completes the set. Use this as a cover so that nothing can fall out during transport. The FSLB310 storage box is made of coated, double-wall cardboard and is therefore very light yet stable. The attachable lid reliably protects the contents from dust and other external influences. The two plastic-reinforced carrying handles on the sides make the box easy to transport. This means that all miniatures are safely and neatly stowed away and ready for transport to the next battle. Dimensions of the storage box: - Inside: 350 mm x 285 mm x 310 mm- Outside: 380 mm x 310 mm x 320 mm Dimensions of the inserts: - FS100RS: 345 mm x 275 mm x 100 height- FSMEZZ050BO: 345 mm x 275 mm x 50 height- fine-pored foam - Made in Germany- chlorine-free and acid-free
