from **18,46 EUR**

Item no.: 380582  
shipping weight: 0.10 kg  
Manufacturer: Feldherr

### Product Description

Safely store and transport a Great Unclean One and an ominous tree from the Garden of NurgleThe Great Unclean Ones are the demonic images of Father Nurgle. Giant, deviant pestilence spinners, littered with open wounds, boils and ulcers, with beastly Nurglings growing from their guts. There's not much we can do about the Great Demon's decay, but we can ensure that your miniature remains in rotting splendour for a long time to come with this customised foam insert. The 140 mm high insert, with a compartment tailored to the Great Unclean One, offers optimum protection for this detailed model. This not only protects the delicate, sensitive parts. When the miniature is finally painted, the colours are safe from abrasion and scratches. Of course, the figure fits into the compartment in any build variant - even as Rotigus. In addition to the demon, there is also a custom-fit compartment in which you can safely place a Feculent Gnarlmau so that even the smallest infested branch is protected from breaking off.

Details- foam insert Dimensions: 345 mm x 275 mm x 140 mm total height (130 mm usable height + 10 mm base)- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany- Content: 1 piece
