Product Description

A bundle for everything: The compact storage box for up to 250 mm full-size foam in the robust Euro Box, together with the universal Feldherr bag. Flexible, robust and easy to transport - The Feldherr storage box for up to 250 mm foam in the robust plastic Euro Box, together with the universal Feldherr bag. With this Feldherr set you are equipped for everything. Store your miniatures on your shelf at home with the Feldherr storage box FSLB250. If you need more protection for transporting your collection, simply pack the storage box into the impact-resistant and water-repellent Eurobox made of durable plastic. And to ensure that everything can be transported comfortably, you also get the matching transport bag. - This set is supplied without foam. This set is supplied without foam. It consists of:- 1 Feldherr GENERAL 370 bag- 1 DDEB305 Euro container with hinged lid ED 43/32 HG- 1 Feldherr storage box FSLB250

The storage box FSLB250 offers space for all Feldherr foam inserts in half-size and full-size sizes up to a total height of 250 mm. It is made of coated, double-walled cardboard and is therefore very light and also particularly stable. With the matching foam inserts, miniatures, game material and all other goods can be stored safely and protected from dust - and transported easily with the plastic carrying handle. One side of the box can be opened completely. This makes it easier to put away and remove the foam mats. The inserts are either inserted from the top or simply pushed into the side of the box.

AUER Packaging's robust Euro container made of impact-resistant and dimensionally stable plastic protects your goods from damage during transport. The lid, with its easy-to-operate hinge system and two locking levers, reliably protects the contents from dust and dirt. The Euro box can be lifted using the recessed grips.

Features Euro container:- Internal height: 305 mm- Hinged lid with two locking levers for easy and secure closure- Recessed grips for carrying- Designed to Euro dimensions, stackable- High stability- Made of temperature-resistant, food-safe plastic (polypropylene)

The GENERAL 370 is more than just a simple transport bag. From board game boxes (e.g. Gloomhaven, Scythe, Zombicide) to Feldherr storage boxes (e.g. FSLB310, LBBG250, DDEB305) to 370 mm full-size foam inserts, it can shoulder anything. The bag is made of hard-wearing, water-repellent material. Continuous padding together with a reinforced base and lid ensure that the contents are reliably protected from external influences, even when travelling by car or train. There is also plenty of storage space. In addition to the large main compartment, there are a total of four small compartments with waterproof zips on the outside. Here you can store game instructions and booklets, books and writing materials, for example. The bag can be opened completely on one side for easier storage and retrieval. The GENERAL 370 can be comfortably shouldered with the wear-resistant, removable shoulder strap or transported with the removable carrying handle. If the bag is not needed, you can fold it up to save space and store it in the cupboard.
