Product Description

With this Feldherr GENERAL 370 bag, you can transport all 61 miniatures from the Warhammer 40,000: Indomitux box safely and conveniently. With space for more than 35 additional miniatures. The Paria Nexus. A vast sector that has eluded Imperial control. Until now, because the Indomitux Crusade is sending the brave Ultramarines into these unknown expanses. But old enemies are already waiting. Metallic warriors rise from their tombs. The whisper that their king has returned lures them. How will the clash between the Primaris and the ancient Necrons end? With this commander set, we help you to store your miniatures safely and transport them comfortably to the next battle. With a Feldherr GENERAL 370 bag, FSLB310 storage box and mountains of foam, you'll be prepared for all eventualities. You will never lose track of the abundance of miniatures. - The set offers space for all 61 miniatures from the "Warhammer 40,000: Indomitux" box. - Additional inserts give you space for more than 35 additional standard infantry miniatures or game material. - You can place the rulebook, accompanying booklets and additional codices on the storage box. 4 smaller pockets on the sides offer you additional storage space. The set contains:- 1 Feldherr GENERAL 370 bag- 1 Feldherr storage box FSLB310- 1 Half-size foam insert with 5 compartments (HSMEYG075BO)- 1 Half-size foam insert with 7 compartments (HSMEYH055BO)- 1 Half-size foam insert with 10 compartments (HSMEFF045BO)- 2 half-size foam inserts with 7 compartments each (HSLZ060BO)- 2 half-size foam inserts with 10 compartments each (HSLM050BO)- 2 full-size foam inserts with 25 compartments (FSLQ050BO)- 1 half-size foam mat, 4 mm, as height compensation- 1 foam lid Thanks to proven Feldherr expertise, you can organise all the miniatures in the Indomitux box neatly and transport them safely. The set contains a total of 9 foam inserts. Whether Excursor on a bike or deadly Skorpekh Lord, each of the 61 figures has its own customised compartment. With additional space for more than 35 other figures. This prevents your miniatures from sliding around and getting damaged. The soft, fine-pored foam also protects the colours of the painted models from abrasion and scratches. 3 Half-size foam inserts serve as a safe retreat for your Imperial forces to reach the next campaigns in the Paria Nexus unscathed. The insert with 7 compartments (HSMEYH055BO) offers space for your three chainsword-wielding Excursors. One of the elongated compartments can be filled with the Blade Guard standard bearer. This leaves you two compartments for other models. The 7 compartments have the following dimensions:- 2 compartments: 91 mm long x 62 mm wide x 45 mm deep- 2 compartments: 91 mm long x 53 mm wide x 45 mm deep- 2 compartments: 101 mm long x 54 mm wide x 45 mm deep- 1 compartment: 54 mm long x 37 mm wide x 45 mm deep For the rest of your squad brothers, such as the Captain, Lieutenant, the Order Priests and the ten Storm Intercessors, there is the right space for each miniature on the two inserts with 10 compartments each (HSLM050BO). The 20 compartments have the following dimensions:- 8 compartments: 64 mm long x 44 mm wide x 40 mm deep- 8 compartments: 60 mm long x 44 mm wide x 40 mm deep- 2 compartments: 75 mm long x 40 mm wide x 40 mm deep- 2 compartments: 50 mm long x 40 mm wide x 40 mm deep To ensure that your Xenos troops are also ready to destroy the Imperial Crusaders at any time, we have also packed the appropriate inserts to protect your Necrons. Four half-size inserts and 1 full-size insert ensure that the warriors of the Silent King are neatly and safely stowed away. The insert with 5 compartments (HSMEYG075BO) has a large compartment for the Kanoptech Reanimator. The Skorpekh Lord also has its own compartment here. The 5 compartments have the following dimensions:- 1 compartment: 137 mm long x 76 mm wide x 65 mm deep- 2 compartments: 87 mm long x 76 mm wide x 65 mm deep- 2 compartments: 76 mm long x 40 mm wide x 65 mm deep For the Skorpekh Destroyers, the Skorpekh Lord, the High Lord and the King's Guardian, as well as for the Plasmant, there are suitable resting places on the inserts with 7 compartments each (HSLZ060BO). The Kanoptech scarab swarms will also find a cosy tomb to hang out in. The 7 compartments have the following dimensions:- 2 compartments: 54 mm long x 85 mm wide x 50 mm deep- 2 compartments: 50 mm long x 70 mm wide x 50 mm deep- 1 compartment: 60 mm long x 75 mm wide x 50 mm deep- 1 compartment: 67 mm long x 75 mm wide x 50 mm deep- 1 compartment: 50 mm long x 75 mm wide x 50 mm deep Crypto servants and Necron warriors will find a safe haven in the 25 compartments of the full-size insert FSLQ050BO. - Each of the 25 compartments is 54 mm long x 41 mm wide x 40 mm deep. So that you can transport even more miniatures into battle, we have added another full-size foam insert FSLQ050BO and the half-size foam insert HSMEFF045BO to the set. This means you can pack more than 35 additional standard infantry models and take them into battle. The 10 compartments of the HSMEFF045BO insert have the following dimensions:- 8 compartments: 54 mm long x 41 mm wide x 35 mm deep- 2 compartments: 54 mm long x 93 mm wide x 35 mm deep The half-size foam mat supplied serves as a height leveller. Finally, the foam lid ensures that everything is securely packed and well protected when travelling. The FSLB310 storage box is made of coated, double-wall cardboard and is therefore both very light and particularly sturdy. The practical carrying handle makes the box easy to transport. One side of the box can be opened completely. This makes it easier for you to put away and remove the foam inserts. The black Feldherr bag, the GENERAL 370, is made of hard-wearing, water-repellent material. Continuous padding together with a reinforced base and lid ensure that the contents are protected from external influences, even when travelling by car or train. In addition to the large main compartment, there are a total of four small compartments with waterproof zips on the outside. The bag can be opened out completely on one side to make it easier to put things in and take them out. The GENERAL 370 can be carried comfortably on the shoulder using the wear-resistant, detachable shoulder strap or transported using the carrying handle, which is also detachable. If you don't need the bag, you can fold it up to save space and store it in the locker.
