from **93,00 EUR**

Item no.: 377157
shipping weight: 0.70 kg
Manufacturer: Feldherr

Product Description

The large, flexible all-rounder for your games: From half-size to board game inserts, from foam to board game boxes, you can transport everything with this bag. This Feldherr bag is supplied without contents. The GENERAL 370 is the all-rounder in our range. With this bag, you can comfortably transport everything from board game boxes to our storage boxes and full-size foam inserts. The carrier bag is therefore ideal for transporting several board game boxes (e.g. Gloomhaven, Scythe, Zombicide), complete tabletop armies and other extensive collections. The black Feldherr GENERAL 370 bag is made of hard-wearing, water-repellent material. Continuous padding together with a reinforced base and lid ensure that the contents are reliably protected from external influences, even when being transported by car or train. There is also plenty of storage space. In addition to the large main compartment, there are a total of four small compartments with waterproof zips on the outside. Here you can store game instructions and booklets, books and writing materials, for example. The bag can be opened completely on one side to make it easier to put things in and out. This means that the inserts can either be inserted from the top or simply pushed into the side of the bag. The GENERAL 370 can be carried comfortably on the shoulder using the wear-resistant, detachable shoulder strap or transported using the carrying handle, which is also detachable. If the bag is not needed, you can fold it up to save space and store it in the cupboard.

Features- lightweight, hard-wearing material- splash-proof and wipe-clean- flexible transport bag, e.g. for: various board game boxes (e.g. Gloomhaven, Scythe, Zombicide), Feldherr storage boxes (e.g. FSLB310, LBBG250, DDEB305), Feldherr full-size foam inserts (filling height 370 mm)- 2 small compartments (e.g. for booklets and writing materials) on each side, water-repellent coated zip - 1 large compartment at the front, water-repellent coated zip - 1 large compartment at the top, water-repellent coated zip for booklets and writing materials) on the sides, water-repellent zip - 1 large compartment on the front, water-repellent zip - 1 large compartment on the top, water-repellent zip- infinitely adjustable carrying strap with shoulder pad, detachable- short carrying strap with hand reinforcement, detachable- additional protection thanks to full-length padding (approx. 20 mm thick)- reinforced base with feet- reinforced top- modern design with black exterior, plain blue logo print and red interior Dimensions- internal dimensions: approx. 410 mm x 330 mm x 370 mm- external dimensions: approx. 430 mm x 330 mm x 380 mm
