Product Description

Take to the banks of the river and trade new goods, meet celebrities, build your own boats and enjoy the time of prosperity at dawn (Akebono) on the most famous trade route of its time. In addition to numerous new traders, buildings, fish and tobacco accessories, the Akebono expansion from Iki also lets you explore the new river board and meet famous personalities on the bridge. You can also build boats on the river and improve your trading power, which brings you valuable rewards after every outbreak of fire.
