## Product Description

Mirakulus Grimms Wälder - board game for 2 - 4 players, ages 10+ (DE edition)

Can you outsmart your friends and build three houses in front of everyone else? Get the help of the fairy tale characters, avoid those shrewd villains lurking in the forest and become the best builder in fairy tale land!

In Tim Eisner's Grimms Forests, 2 to 4 players compete in a fairytale building competition. You are a niece or nephew of the legendary three little pigs and - based on their adventurous story - you first try to build three houses out of straw, wood or stone. You secretly plan every round where you can collect the limited resources available and then you continue to build your huts.

The fairy tale characters who come out of the forest and make friends with you will help you. Every new friend gives you new powerful skills - will these be enough to make you the greatest builder in the fairy tale forest?

Attention! Not suitable for children under 36 months!

- Players: 2 - 4 players, ages 10+
- Playing time: 45 minutes
