Product Description

The moon is ... printed. Ahooo! To all night owls and stargazers: Here comes the perfect card deck for you - Bicycle® Stargazer New Moon. The uniquely designed card back bears the new moon proudly and luminously in its centre. Distinctive and truly magical. The card fronts feature individual corner characters and starkly contrasting colours. And: they are black. White motifs on a black background - a real eye-catcher. Everything is just a little different at night. On the outside of the packaging, the silver foil shines like the moon on a starry night. Wonderful.
