Product Description

The Bicycle® Archangels playing cards are mythologically inspired, hand illustrated and take the elegant designs of the Bicycle® Creatives to a new level. Thematically, the world of the Archangels was taken up - the designs of the cards were created in an elaborate process over 6 months by the minds behind theory11, THE Magic and Card Art Group and the English illustrator Tom Lane with a lot of handwork and attention to detail.

The back design is the crown jewel of the Archangels deck. The closer you look, the more detail can be found. It shows a juxtaposition of good and evil, darkness and light, night and day, angels and demons. The front pages contain original artwork on the ace of spades and the joker.

The packaging gives a unique tactile feel thanks to embossed texture and majestic gold foil on each side.
