Product Description

Overbooked, board game, for 1-4 players, from 8 years.

Hello crash pilot, not so fast. The passengers aren't on the plane yet! Welcome to the largest airport in our country. As employees at the service counter, the players have to make sure that every passenger gets a seat on the plane. This is not so easy, because some passengers would like a window seat, others travel as a group and want to sit next to each other. In addition, the flight is overbooked: so there are more passengers than seats ... Who will succeed in satisfying the most passengers?

Frequent flyers who have played the game many times before can play a more challenging version. This also uses the symbols in the corners of the passenger cards, the particularly difficult cards and/or the event cards. Players can choose to include one or more of these additional options. For the first game, it is not advisable to play with these additional options.

Caution. Not suitable for children under 36 months. Legal minimum age: 8

- Players: For 1 to 4 players aged 8+
- Game duration: 30 minutes
