Product Description

Tremble before the authority and ruthless will of one of the highest ranking officers and politicians in the remnants of the Imperium! It's not wise to underestimate a Moff, as anyone with this title wields considerable power and military resources...The You Have Something I Want squad pack includes the nefarious Moff Gideon with his legendary darksaber and his Dark Troopers to create a strike team for the skirmish miniatures game Star Wars™: Shatterpoint. Moff Gideon proves to be a particularly tenacious opponent for the Mandalorian as he spares no expense to kidnap the child Grogu, whom he calls a "target". In pursuit of his prey, Moff Gideon has activated numerous Dark Troopers, powerful battle droids that are nearly impossible to defeat with conventional weapons. With the legendary darksaber in hand, Moff Gideon will stop at nothing until he gets what he wants. A Star Wars: Shatterpoint base game is required to play.
