Product Description

The members of the Bounty Hunter's Guild are a colourful bunch, each with their own idea of honour. Perhaps the most famous was born Din Djarin and raised by Mandalorian warriors...The Certified Guild squad pack includes the famous Mandalorian Din Djarin with the Force-sensitive child at his side, Greef Karga, and the assassin droid IG-11 to create a strike team for the skirmish miniatures game Star Wars™: Shatterpoint. Since the fall of the Empire, Din Djarin has been making his way in the galaxy as a bounty hunter. When a shady client hired him to kidnap and deliver a helpless orphan, he decided to protect the child with his life instead. Many others were caught up in the maelstrom of this decision. These included Greef Karga, a Guild intermediary who had served as a contact for the Mandalorian, and the dangerous assassin droid IG-11, who worked as an assassin for hire. Both saw their careers turned upside down by the Mandalorian, and both became embroiled in the consequences of his departure from the Guild. A Star Wars: Shatterpoint base game is required to play.
