### Product Description

For the safe storage of a Ghost Ark, a Doom/Night Scythe and many other Necron miniatures. Are you in the process of building a Necron army or do you already have a sizeable force? Then you should make sure that Ghost Ark, Doom Scythe & Co. don't come to any harm. With our storage box with matching foam inserts for Necrons miniatures, you can store your fantastic models well protected and transport them compactly. The set contains:- 1 Feldherr storage box FSLB310- 1 foam inlay with 9 compartments for Doom Scythe or Night Scythe and 8 other miniatures (FSMEJZ075BO)- 1 foam inlay with 1 compartment for Ghost Ark (HSMEJY125BO)- 1 foam inlay with 10 compartments for miniatures (HSLM050BO)- 1 foam inlay with 12 compartments for Necrons miniatures (HSLM050BO) - 1 foam inlay with 1 compartment for Necrons miniatures (HSMEJY125BO) 1 foam insert with 12 compartments for miniatures (HSCW075BO)- 1 foam insert with 32 compartments for miniatures (FSMEDS050BO)- 1 foam insert with 25 compartments for miniatures (FSLQ050BO)- 1 matching foam coverThe insert for Doom Scythe or Night Scythe has a customised foam cover. Night Scythe has a customised compartment for the great miniature. The miniature-precise cut ensures that the model lies absolutely securely in its compartment during transport and does not slip around. This not only protects the fine parts, such as the annihilator and death ray, from damage. The colours and decals of the painted model are also protected from abrasion and scratches. The other 8 compartments of the insert are ideal for storing tomb blades, Canoptek Spydery or Crypteks, for example. The 8 compartments have the following dimensions:- 4 compartments: 80 mm long x 75 mm wide x 65 mm deep- 2 compartments: 36 mm long x 75 mm wide x 65 mm deep- 2 compartments: 66 mm long x 56 mm wide x 65 mm deepThe Ghost Ark comes with an exclusive inlay designed just for it. Thanks to the customised cut of the compartment, not only the Gauss disintegrators but also all other details of the miniature enjoy the best possible protection. The tray is designed for a Ghost Ark without a flying base. The other trays in the set offer space for many small and medium-sized Necron miniatures as well as some character models. The foam tray with 10 compartments is suitable for storing models of different sizes, such as the Necron Overlord and various standard warriors. The 10 compartments of the inlay have the following dimensions:- 4 compartments: 64 mm long x 44 mm wide x 40 mm deep- 4 compartments: 60 mm long x 44 mm wide x 40 mm deep- 1 compartment: 75 mm long x 40 mm wide x 40 mm deep- 1 compartment: 50 mm long x 40 mm wide x 40 mm deepThe foam inlay with 12 compartments offers 4 compartments for larger miniatures such as Canoptek Spyder and Tomb Blades. You can store standard warriors in the other 8 compartments. The 12 compartments of the insert have the following dimensions:- 2 compartments: 80 mm long x 90 mm wide x 65 mm deep- 2 compartments: 80 mm long x 55 mm wide x 65 mm deep- 4 compartments: 36 mm long x 33 mm wide x 65 mm deep- 4 corner compartments: 36 mm long x 33 mm wide x 65 mm deep, heavily roundedYou can neatly organise smaller models such as Death Marks and Necron's Warriors in the two other inserts in the set. The insert with 32 compartments is suitable for storing standard warriors on bases up to 32 mm wide.- Each of the 32 compartments is 54 mm long x 35 mm wide x 40 mm deep. The insert with 25 compartments provides space for miniatures on bases up to 40 mm in size.- Each of the 25 compartments is 54 mm long x 41 mm wide x 40 mm deep. Naturally, the inserts fit exactly into the sturdy storage box. This is made of coated, double-walled cardboard and is therefore both very light and very stable. The attachable lid reliably protects your models from dust and other external influences. With the two plastic-reinforced carrying handles on the sides, you can easily transport the box to the next battle. Dimensions of the storage box:- Internal dimensions: 350 mm x 285 mm x 310 mm- External dimensions: 380 mm x 310 mm x 320 mmThe set is completed with the matching foam lid. Place this on the top insert - this ensures that nothing can fall out or bump into the cardboard lid.- fine-pored foam - Made in Germany- chlorine-free and acid-free
