### Product Description

Set of three bases in industrial design. The bases each have a base area of 35 mm x 30 mm with different heights. The 3 bases have been individually designed in industrial design. With grid bases, pipes and additional technical details on the edges, they are ideal for themed battlefields in factories or in the distant future. Ideal for game systems that require hexagonal bases, such as Battletech. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
