Product Description

For safe storage and convenient transport of your battle machines. Off to battle! - But not without our practical rucksack with matching foam inserts for up to 130 mechs. Naturally, our fine-pored foam offers your battle machines reliable protection against damage. Delicate parts remain intact and sensitive surfaces are spared scratches. The matching foam lid completes the set. You place this on the top foam insert so that nothing falls out during transport. The rucksack is made from lightweight but hard-wearing materials and has breathable mesh padding. To make loading and unloading easier, the zip opens on three sides and the backpack can be opened almost completely. The base and back section are reinforced with PVC inserts for additional protection.

The set contains- 1 Feldherr backpack- 1 half-size foam inlay with 10 compartments for large mechs (HSBE050BO)- 2 half-size foam inlays with 12 compartments each for large mechs (HS050I012BO)- 2 half-size foam inlays with 24 compartments each for mechs (HSCS060BO)- 2 half-size foam inserts with 12 compartments each for mechs (HS035I012BO)- 2 half-size foam inserts with 18 compartments each for mechs and accessories (HS035BF01BO)- 1 foam cover
