

HS060DC05 - Foam inlay for Descent: Journey into Darkness 2nd Edition - 16 figures

## Product Description

For the safe storage of 12 small and 4 large Descent miniatures. Even if the elementals are a danger to everything around them, you can safely store them here with other monsters and heroes, separated from each other. This half-size foam tray with 16 compartments keeps your Descent collection organised and tidy. The insert consists of 12 small compartments for small heroes and monsters measuring 36 mm x 33 mm. Additional four compartments for large monsters, with maximum dimensions of 58 mm x 72 mm. Ideal for storing the elementals and merricods from the basic game. The figures should not be higher than 50 mm. The 10 mm thick base gives the inlay a total height of 60 mm. With this inlay, your heroes and monsters are safely stored on your shelf at home or other storage locations of your choice. It can also be used with other Feldherr products such as the storage and magnetic boxes, rucksack and cases. This protects your figures from paint damage and ensures that they are always ready for the next game with friends. The foam insert has the following dimensions: 275 mm x 172 mm x 60 mm total height. The individual compartments have the following dimensions: 12 compartments: 36 mm x 33 mm x 50 mm height- 4 compartments: 58 mm x 72 mm x 50 mm height- Made in Germany- high-quality, fine-pored foam- chlorine-free and acid-free
