Product Description

For the safe storage of 7 Shadespire or Nightvault miniatures. This foam inlay is a space-saving solution for those who do not necessarily need an individually customised inlay with compartments for cards, dice and tokens for each warband. The 7 compartments of the insert are particularly suitable for storing and transporting the larger and bulkier Shadespire and Nightvault miniatures, such as Stormfather's Cursebreaker. Dice and tokens can also be stored here wonderfully. The figures are separated from each other and stored individually in compartments. This prevents them from sliding around, bumping into each other and painted models are spared scratches and chipped paint. The foam also protects delicate model details from bending or breakage. The 7 compartments have the following dimensions:- 2 compartments: 54 mm long x 85 mm wide x 50 mm deep- 2 compartments: 50 mm long x 70 mm wide x 50 mm deep- 1 compartment: 60 mm long x 75 mm wide x 50 mm deep- 1 compartment: 67 mm long x 75 mm wide x 50 mm deep- 1 compartment: 50 mm long x 75 mm wide x 50 mm deep. The foam insert has the dimensions: 275 mm x 172 mm x 60 mm total height (50 mm usable height + 10 mm foam base)- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany
