Product Description

Feldherr foam insert for storing and transporting a Space Marine Gladiator in all its build variants. Archmagos Dominus Bellisarius Cawl has struck again. With the Gladiator, he presents the next mighty war machine for the armoury of the Primaris Space Marines. Equipped with deadly weaponry and almost impenetrable armour, it will strike fear into the hearts of any enemy. The Gladiator model is characterised by the finest details such as antennae and a multitude of weapons. A nightmare for any logistician of the Empire. To ensure that your Gladiator variant arrives on the battlefield unscathed, we have the matching Feldherr foam insert for your hover tank. The following Gladiator variants fit into the insert: - Gladiator Lancer- Gladiator Reaper- Gladiator Valiant. Wrapped in soft, fine-pored foam, your model is protected from damage. Thanks to the precise cut, your models have a firm hold and cannot bump into each other during transport. If you have given your tank a coat of paint, the foam ensures that you don't have to worry about scratches or chipped paint. This foam insert has 5 compartments of different sizes. Use the large compartment for your Gladiator. The four neighbouring compartments provide space for smaller figures such as Primaris Hellblasters on 32 mm bases. The 5 compartments have the following dimensions: - 1 compartment: 165 mm long x 120 mm wide x 120 mm deep - 4 compartments: 71 mm long x 35 mm wide x 120 mm deep. The half-size foam insert has the following dimensions: 275 mm x 172 mm x 130 mm total height (120 mm usable height + 10 mm foam base). - high-quality, fine-pored foam - chlorine-free and acid-free - Made in Germany
