### Product Description

All 9 foam inserts for the warbands of the second season and the Arcane Dangers individually packed in 9 magnetic boxes. The second season of Warhammer Underworlds once again brings an entertaining range of warbands to Shadespire. We have the right solutions for you to ensure that they all arrive intact at the gaming table. This bundle is ideal for those who prefer to store their warbands individually. From Averon Stormfather and his golden boys to Zarbag's scurrying goblin flock, each troop comes with a customised Feldherr foam insert and a magnetic box. And as a bonus, there's a box with an insert for the Arcane Hazards. The set contains:- 7 Feldherr Magnetic Boxes green- 2 Feldherr Magnetic Boxes blue- 1 Half-Size Foam Insert for "Stormfather's Cursebreaker" (HSMEHA050BO)- 1 Half-Size-foam inlay for "Thorns of the Rose Queen" (HSMEGZ050BO)- 1 half-size foam inlay for "Eyes of the Nine" (HSMEHE050BO)- 1 half-size foam inlay for "Zarbag's Gitz" (HSMEHF050BO)- 1 half-size foam inlay for "Hunt of the Gods" (HSMEJS050BO)- 1 half-size foam inlay for "Mollogs Mob" (HSMEJT060BO)- 1 half-size foam inlay for "Thundrik's Profit Hunter" (HSMENE050BO)- 1 half-size foam insert for "Ylthari's Guardians" (HSMENF050BO)- 1 half-size foam insert for "Arcane Hazards" (HSMEHC060BO)- 2 half-size foam mats, 10 mm, as height compensation - 9 foam covers. The compartments of the individual inlays are customised to the miniatures. This means that the models are well protected in the soft foam. Sensitive details are thus protected from damage. The customised cut ensures that the figures do not slide around during transport. Painted warrior models are spared scratches and chipped paint. An additional compartment is reserved under each figure for the power and mission cards. It has a finger-wide recess to make it easier to get the cards out. Up to 40 cards fit in here, including sleeves, of course. Deck boxes also fit here. Dice and markers can be sorted into the remaining four compartments. On the ninth insert you get eight compartments, customised for all six terrain pieces from the "Arcane Dangers" set:- throne- fire bowl with skulls- 3 pyramid-shaped ruins held by chains- 2 pyramid-shaped ruins shrouded in smoke- destroyed statue- vines. The magnetic boxes are made of very sturdy, coated solid cardboard. Thanks to their low weight and flat, rectangular shape, they are the ideal solution for storing and transporting your warriors. The box containing the foam mat is firmly glued to the casing. The solid casing also serves as a lid. Two integrated magnets on the flap and front allow seamless closing so that nothing gets lost during transport. Finally, the foam lids supplied ensure that your figures are securely packed all round and survive transport to the Mirrored City undamaged. Dimensions of the magnetic boxes:- Internal dimensions: approx. 275 mm x 172 mm x 55 mm / 75 mm- External dimensions: approx. 290 mm x 180 mm x 60 mm / 80 mm- High-quality, fine-pored foam - Made in Germany- Chlorine-free and acid-free
