Product Description

Carcassonne Junior, board game (DE), for 2-4 players, ages 4+

Based on its big brother, Carcassonne Junior has been refreshed and now shines in a bright blue .

On July 14th, the national holiday in France, the sheep, chickens and cows are traditionally released. The children of Carcassonne have a lot of fun all day catching the animals again until dusk.

This greatly simplified version of the million bestseller Carcassonne is just as much fun for the little players as the big ones.

No points have to be counted here. The first to place all of their children on the beautifully drawn landscape wins the cheerful competition.
