Product Description

A Song of Ice & Fire - Savage Giants, expansion for 2 players aged 14 and over

In southern Westeros, giants are nothing more than a myth used to scare children in bedtime stories. But far to the north, beyond the Wall, the Wild Giants are very real. As allies of the Free People, they are walking siege engines and are capable of tearing even a heavily armed man to pieces, with only the most devastating hits being of any consequence to them. A single giant in a Free People's army can crush one unit after another into the ground and crush and crush anything and everything that is foolish enough to stand in its way. To play the game you need an A Song of Ice & Fire: Miniature Game - "Free Folk" starter set or another starter set.

Attention! Not suitable for children under 36 months. Statutory minimum age: 14

- Players: For 2 players aged 14 and over
- Duration: 45 minutes
