Product Description

Prime Album 8-Pocket Black Card Album up to 160 cards

The Prime Album 8-Pocket is a great way to collect and organize trading cards in standard or Japanese size.

The album is covered with the innovative Nexofyber surface to create a pleasant touch & feel, an elegant look. The inside of all Prime albums is covered with soft microfibre lining. Reinforced rigid covers to protect the card collections. The album contains a total of 20 pages, each with 18 side loading pockets capacity of 360 cards (also with double covers). Four compartments per page are perfect for PLAYSET collections (4 cards each). An extra wide elastic band in a matching colour closes this album securely.
