Product Description

Der Perfekte Moment, board game for 2 - 4 players, ages 10+ (DE edition)

The celebration is in full swing and the guests spread around the buffet. You want to snap the perfect photo, but not all guests look happy! Find out what they want and put the guests in the right place so that the picture is great in the end!

In The Perfect Moment by Anthony Nouveau you are one of 2 to 4 photographers (with an extension of up to 6) and you exchange ideas with the others about the preferences of the guests. Find out what they want and arrange them accordingly. Whoever fulfills most of the wishes of his guests takes the most beautiful photo and wins the game.

It is precisely these wishes of the guests that are hidden in folders that are repeatedly exchanged between the players. Some want to be in the foreground, others prefer to disappear in the background, or stand next to someone in particular - just stupid if that someone would rather be somewhere else! It will be difficult to make everyone happy ...

ATTENTION: Not suitable for children under 36 months

- Players: 2 - 4 players, ages 10+
