Product Description

Card's Lair 400+ red

"The next BIG thing!" This is what many customers have been waiting for: a large premium box to perfectly fit standard-sized cards in sleeves. With the additional innovative features, this is all you need for your collection on a great gaming night.

This multi-functional premium box is designed to perfectly fit 400 double-sleeved, or 540 board game-sleeved cards. Two removable drawers with ingenious magnetic flaps provide easy access to tokens, sleeved cards, or full decks. The top compartment can be used to store played cards, accessories, or as a mini dice tray.

With our highly rated CONVERTIBLE system the removable cover clips onto the bottom saving precious space on your gaming table when opened. Powerful magnets together with our innovative locking mechanism provide a secure closure, even if the box is shaken upside-down.

Attention! Not suitable for children under 36 months.
