Product Description

Night's Watch Attachments # 1 - A Song of Ice & Fire, from 14 Years (Expansion)

The Night Watch welcomes everyone to strengthen their ranks. They are the guardians of the wall and protect Westeros from the horrors of the north. The battles against these horrors are often devastating and quickly show who is suitable for wearing black. What's left are die-hard veterans. The Night's Watch Attachment # 1 box set for the A Song of Ice & Fire: Tabletop miniatures game gives Night's Watch players new options to expand their army. It includes 10 new miniatures that can be added to units, giving them new abilities and commands. They are excellent at making the strengths of a unit even stronger.
