Product Description

Skinchangers - A Song of Ice & Fire, from 14 Years (Expansion)

Skinchangers have the rare ability to project their consciousness into other creatures and thereby influence their behavior. This can also be used in combat. It's bad enough to be attacked by enemy units. It's even worse when you're flanked by gigantic wolves or bears.

The Skinchanger Unit Box for the A Song of Ice & Fire: Tabletop miniatures game gives Free Folks players new options to expand their army. They are supported by powerful animals, which can also be activated as soon as the skin changers have been activated and as long as they are within range. If the skinchanger dies, his animal dies too.

An A Song of Ice & Fire - Free Folk - Starter Kit is required.
