Product Description

Cutterland - Board game, for 2-4 players, from 10 Years (DE Edition)

Think carefully about your paper cuts and create the most attractive adventure land!

Oh no, another frog! These critters really are a nuisance! Fortunately, there is already a hungry octopus lurking nearby who can take care of it. But watch out! A kite is approaching your only turtle. You should be quick to build a protective tower around them! Follow the preferences of your creatures and your country will be the most attractive of them all!

"Cutterland" is a tactical cutting and laying game by Nikolay Zolotarev for 2-4 players, ages 10+, in which you cut up landscape maps, take one of the map pieces in turn and use it to create your own adventure land.

Attention! Not suitable for children under 36 months. Legal minimum age: 10, legal maximum age: 99
