Product Description

Azul - The stained glass windows of Sintra, board game, 2 to 4 players, ages 8+ (DE edition)

After Azul, the huge success of author Michael Kiesling and Game of the Year 2018, now comes: Azul - The stained glass windows of Sintra. In this completely independent sequel, players must carefully choose glass panels to complete their windows while being careful not to damage them or waste materials. Double-sided window panels offer the players dynamic layouts that are almost endlessly variable. In Azul - The Stained Glass Windows of Sintra, players can look forward to new, unique illustrations by Chris Quilliams and beautiful components, including transparent stones as pieces of glass, double-sided player boards and window panels, a tower for the dropped stones and many other elements.
