Product Description

Zapotec - Board Game for 2 Players (DE Edition)

The Zapotecs populated the area around the valley of Oaxaca in Mesoamerica, which is now in Mexico. Their culture dates back at least 2500 years and remains of the city of Monte Alban recovered by archaeologists bear witness to ball courts, magnificent tombs and finely crafted gold jewellery. The city was one of the first major cities in Mesoamerica and the centre of the Zapotec state!

In Zapotec you shape the valley of Oaxaca with temples, villages, cornfields and pyramids. Through offerings to the gods and various rituals, you receive spiritual support for the construction of the Zapotec civilisation. Will you succeed in becoming the most influential leader of your people?

Attention! Not suitable for children under 36 months!
