Product Description

The Perfect Moment: The Sherlock Expansion, Board Game for 2 - 6 Players (EN Expansion)

A murder has been committed! It could have been anyone - even the dog! But Sherlock Holmes is already investigating. Will you send the master detective the decisive clues? Or will you side with the murderer?

The murderer has mingled with the mourners. Talk to those present to find out who has an alibi. But be careful not to reveal too much of what you've found out to the other photographers!

In The Perfect Moment by Anthony Nouveau, you are photographers and you exchange information about the guests' preferences.

Find out what they want and set them up accordingly! Whoever fulfils the most wishes for their guests takes the most beautiful photo and wins the game.

Caution! Not suitable for children under 36 months!

- Age: from 10 years
- Number of players: 2 - 4
- Game duration: 60 minutes
