Product Description

Sword & Sorcery: The Ancient Chronicles - Enemy Challenges, Ages 13+ (EN Expansion)

The Enemy Challenges expansion contains variants of all the basic enemies from the base game Sword & Sorcery: The Old Chronicles and offers 16 new creatures with their own enemy figures, enemy parchments and enemy cards.

This allows you to customise each Sword & Sorcery: The Ancient Chronicles adventure and choose the difficulty level that's right for you. Replace battle-hardened enemies with their inexperienced counterparts for a more relaxed adventure, or balance the fine line between success and defeat by making all enemies as difficult as possible.

You can also use this set to add more monsters to upcoming expansions or create your own adventures with it.

A base game of Sword & Sorcery: The Ancient Chronicles is required to play the expansion.

Caution. Not suitable for children under 36 months. Legal minimum age: 13

- Players: 1-5
- Age: 13+
- Game duration: 30+
