Product Description

A Song of Ice & Fire Ironborn Bowmen, for 2 players, age 14+.

Like the tentacles that adorn their banner, House Greyjoy's influence spreads and grows. Although largely hard-hitting melee units make up their ranks, they know that a force lacking in ranged support is like a fish on a hook. For this reason, some Ironmen raiders have been trained as archers. They wear medium armour and can also defend themselves in close combat should the enemy get too close.

The unit expansion A Song of Ice & Fire - Ironborn Bowmen provides players of House Greyjoy with a ranged combat unit to support their other troops. The Ironborn Bowmen are perfect for attacking enemy troops from the flank. In addition, their allies benefit from their support in more ways than one, as they can collect the belongings left behind by the enemies they hit.

Note: A Song of Ice & Fire - Greyjoy Starter Set is required to play the expansion.

Caution! Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
