Product Description

A Song of Ice & Fire Mormont Bruiser, for 2 players, from 14 years.

Like its heraldic animal the bear, the troops that House Mormont sends to the battlefield are strong, tough and downright deadly. Although they are neither armed to the teeth nor heavily armoured, no enemy wants to see them on the other side of the battlefield. Their tenacity keeps the thugs of House Mormont fighting until the last of them is struck down.

The unit expansion A Song of Ice & Fire - Mormont Bruisers provides House Stark players with a brutal melee unit for their troops. In favour of pure offensive power, which shines through even while defending, this unit dispenses with heavy armour and shields. Their light shields are equipped with a striking spike, which makes them dangerous even when put on the defensive. Enemy units should be wary of failed attacks when going after the thugs of House Mormont.

Note: A Song of Ice & Fire - Stark starter set is required to play the expansion.

Caution.Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
