Product Description

A Song of Ice & Fire - Lannisport Citywatch (City Watch of Lennishort), for 2 players, age 14+.

Lennishort is a sprawling seaside town full of merchants, craftsmen and both highborn and commoners, and the seat of power for House Lannister. Protecting an important port town like this requires a large-scale and well-equipped town guard. In the usual grandiose style of House Lannister, the City Guard of Lennishort is as well equipped and armed as most frontline troops in the War of the Five Kings.

The unit expansion A Song of Ice & Fire - Lannisport City Watch provides House Lannister players with an effective support unit. A plate armour and a shining spear alone do not make a soldier, which is why this unit is not intended for use on the front line. Used properly, however, it will still make its commander proud.

Note: A Song of Ice & Fire - Lannister Starter Set is required to play the expansion.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Number of players: 2
- Age: 14 + years
