## Product Description

In Coffee Traders, you sell delicious coffee beans from South America, Africa and the southern regions of Asia to coffee roasters around the world. Work with your competitors to make the regions where you grow your coffee beans prosper. Construct buildings to develop your coffee plantations and support local farmers, and produce the ominous 'cat coffee' Kopi Luwak. At the same time, you need to keep an eye on the market and create a network for the global coffee trade.

Will your plantations fall into ruin or will you become the biggest coffee baron in the world?
