Product Description

Mantis means mantis shrimp in German. Sounds a lot more dangerous right away, doesn't it? Dive into the predatory card game with rainbows and revenge inspired by the sociopathic underwater party clowns - the mantis shrimps!

There are only two rules: Steal or score.

Here's how it works: Collect Mantis cards of the same colour. Steal cards from your fellow players. Feel good about it. Let your teammates outsmart you and watch them steal their cards back. Don't feel so good about it. Repeat the emotional rollercoaster until someone has ten or more cards in their deck and wins.

Mantis is a brightly coloured party game from the authors of Exploding Kittens that is suitable for adults and kids alike and will give you no end of fun. Learn the rules in just a few seconds and have nerve-racking games of around ten minutes each.

Not suitable for children under 36 months.

- Number of players: 2-6
- Game duration: 10+ minutes
- Age: from 7 years
