Product Description

An exclusive and extra-large variant has been added to the Sidekick 100+, which holds 100 conventional double-sleeved cards and offers additional space for tokens. The Convertible series was developed for a completely new presentation of the cards. The lid can be removed and attached to the underside or the box can be tilted in a variety of ways.

Fits 100 double-sleeved cards in extra thick inner sleeves.

- Designed to hold up to 100 double-sleeved cards in extra thick inner sleeves
- Holds 100 regular double-sleeved cards and additional tokens
- Sideloaded: cards are stored sideways
- 100% compatible with Convertible Boxes, such as the Dungeon
