Product Description

Song of Ice & Fire: The Warrior's Sons, board game, for 2 players, age 12+ (EN expansion).

The Warrior's Sons have forsworn their many titles as they have taken up the service of the Seven, dedicating their chivalric virtues and swordsmanship to the High Septon and the noble cause of the Faith. Their heavy armour, sharp sword and unwavering dedication make them the perfect vanguard for any army of the Faith. Whether advancing or holding a position, the Sons, equally skilled in attack and defence, can always be relied upon. Even when they are beset by a superior number of enemies, they remain steadfast. The more hopeless their situation, the louder their prayers are heard. And these prayers never fall on deaf ears.

The unit expansion A Song of Ice & Fire - The Warrior's Sons contains twelve Sons of the Warrior, a Warrior of Faith, a unit card, a reinforcement card, six faith markers and a movement tableau.

To play the expansion, an A Song of Ice & Fire - Stark vs. Lannister starter set is required.
