Product Description

A Song of Ice & Fire - Greyjoy Heroes 2 (Heroes of House Greyjoy 2), for 2 players, ages 14+.

Everyone in Westeros knows about the Wall and the stalwart Night's Watch that mans it. Less well known, however, is what lies outside the mighty edifice. To the west of the Wall rises the Shadow Tower. There, the Brotherhood's frontiersmen specialise in the use of spears, making them undisputed masters of defending against swift enemy flanking manoeuvres.

The unit expansion A Song of Ice & Fire - Shadow Tower Spearmen gives Night's Watch players a new melee unit to protect their flanks. These troops train ceaselessly with their long spears, enabling them to inflict serious damage on any enemy foolish enough to attack them. They know it is their duty to never give up or even flee, and to stand unyieldingly in the way of any enemy.

Note: A Song of Ice & Fire - Night's Watch starter set is required to play the expansion.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
