Product Description

Champions of Midgard, board game for 2 - 4 players, ages 10+ (DE edition)

Prove you have what it takes to be the new Jarl by protecting Midgard from mythological monsters! Old Jarl has died and the once lively trade in the port of Trondheim is in danger of perishing. The whole city is in a state of emergency because of the monstrous threat we are facing:

The trolls attack us from the mountains. Draugr attack anyone who dares to venture too far out of town. And travelers and traders tell of even more dangerous monsters that seek their lives on their way. The people are suffering - so face the challenge!

In Champions of Midgard you have to send your workers carefully to the places in the nearby city in order to hire and equip warriors in the form of special dice and to send them into battle against the monsters. You can only become a Jarl if you use your people skillfully and correctly assess your chances in the battles. You are not the only one who is aiming for this honorable position: 2 to 4 Vikings from 10 years of age compete for fame and honor in this expert game by Ole Steiness!

ATTENTION: Not suitable for children under 36 months!
