Product Description

Superlemming, card game for 2 - 5 players, ages 8+ (DE edition)

Save the other lemmings and make your own jump off the cliff! The lemmings are running to the cliffs! If only there was someone to save them from certain end ... Someone heroic ... A superlemming!

Take on the role of a super lemming and save the other players' lemmings! With your own, however, you don't have to be too strict ...

The 2 to 5 superlemmings aged 8 and up play their lemmings in turn on the cliffs. If the queue becomes too long, the one in front jumps. If it was the lemming of one of your teammates, you will of course save him and get his thanks. Was it your lemming, did you just check your whites and he achieved his goal. Both bring you a little closer to victory!

The numerous funny characters come from the pen of Joscha Sauer and accurately capture the non-funny humor of the game! The game itself was conceived by Jan Kirschner, who has already released a game with Tudor under the Corax logo and is a big NOTLUSTIG fan!

Warning! Not suitable for children under 36 months!

- Players: 2-5 players, ages 8+
- Playing time: 20 minutes
