## Product Description

King of 12, dice game for 2 - 4 players, from 10 years (DE edition).

Rita Modl's dice trick-taking game "King of 12" gives 2 to 4 players aged 10 and up each a twelve-sided die and an ever-changing selection of cards. These hide characters illustrated by Robin Lagofin, with which you can change the value of your dice. If your dice show the highest value at the end of the round, you win the trick, but if several dice show the same value, those players are all out of the running!

Since the dice are only re-rolled after 6 trick rounds, the game not only shines with the possibility of bluffing and double bluffing, but also offers some strategic possibilities for frequent players.

King of 12 even offers a tournament mode for up to 16 players. With a few small rule changes, you get a fun-chaotic party game by combining several King of 12 games!  
Caution. Not suitable for children under 36 months!

- Players: 2 - 4 players, 10 years and up
- Game duration: 15 minutes
